Competition Rules

- * Pattern is run in a cloverleaf, either to the left or right barrel first. Pattern is set in accordance with the MBRA rules and will remain the same throughout the duration of the series; with the exception that arena conditions dictate we change the pattern for the safety of the contestants and horses.

- * No contestants are allowed in the arena during the jackpot unless it is their turn to race.
- * **ABSOLUTELY NO** riding in the arena during a drag. **NO** exceptions!
- * Contestants must **at least trot** the pattern in order to have a qualified time.
- * Contestant’s run will be disqualified for going off (breaking) pattern or crossing the timer line before completing the run.
- * A horse may be ridden by **only 2** riders at a specific jackpot. A horse can **ONLY** make a **maximum of 4** runs per day. **NO EXCEPTIONS!**
- * A competitor who enters more than one division may carry over their time. Contestants **MUST** tell the announcer or entry staff at time of entry if they wish to carry over their time. This cannot be changed or reversed after the start of the competition starts.
- * Contestants must enter the arena when their name is called. We enforce a 3-call rule. If the contestant hasn’t entered the arena following the 3rd call, we will roll to the next entry. No re-run will be permitted on rolled entries. If a contestant is rolled on their first run, they are still permitted to take their 2nd run; however, the same rule applies.

start their run within 30 seconds or they will be rolled as well.

- * No buy-backs.
- * No time-only’s.
- * Contestants may warm up in the arena prior to the jackpot and must clear the arena when directed to.
- * Contestants are permitted to set up pop-up barrels in the arena, but MUST place the practice pattern the opposite direction of the competition pattern and MUST clean up after themselves after using practice barrels.

Finals Qualification and General Information

- * Each horse/rider combination **MUST** attend a minimum 60% of the jackpots in this series to qualify to compete at the Finals. (60% of 7 total jackpots are 4 jackpots to qualify. 60% of 6 jackpots is also 4).
- * Winning at the series jackpots does not qualify you for Finals. Simply entering does.
- * In order to qualify for the Rocking W Barrel Series Hi Point awards, each horse/rider combination will be given points based on how they place at a jackpot. Points are given to the top 5 placings in each D at each jackpot. Points at Finals are doubled. All divisions receive the same points per placing, so any rider/horse combination consistent in a D, has the opportunity to win Hi Point. The horse/rider team with the most points will win. Points are not accumulated by rider only, but by horse/rider team.

* In order to qualify for the Rocking W Barrel Series **Average** awards, each horse/rider combination **MUST** attend ALL jackpots including the Finals. If no one attends all of the jackpots, it will default to those who have only missed 1 jackpot, and so on as required. The Average awards are based on the aggregate time of the best of 2 runs from all jackpots and the 1 run at Finals.

* Finals is western dress code for both the competition and the awards. The event hosts reserve the right to disqualify contestants who attend the awards not dressed in western attire, from receiving awards and payout.

* Western dress code consists of western hat or helmet, long sleeve western shirts, jeans and boots.

Final's Entry Fee & Payouts

Open - \$75 – open to any age

Youth - \$50 – 16 & under as of this calendar year

Pee Wee - \$5 – 4-11 years; no cross entry between pee wee & any other division.

* If any other events are added to the Finals (Men's Only, Pole Bending or Match Races), those entry fees and rules will be determined at that time.
